

Benefit Services

Guaranteed Savings

We offer superior service without the overhead typical of large competitors. We pass this savings onto our clients.

Customized Solutions

We work with our clients to service their unique situation. We think outside the box.

Personalized, Local Service

We work in the area and specialize in providing a personalized service that is second to none. With dedicated account managers, our clients have a consistent point of contact.

HR Butler provides many healthcare options including Consumer Driven Healthcare in both Self-funded and Fully Insured Options. We believe proper design, easy enrollment and proactive communication are the keys to a successful implementation. Providing employee benefits is a proven method of attracting and retaining top talent.
